

As a loyal customer at your establishment, I would like to see _____ added to the list of merchants within the CardStar app. CardStar allows me to transform my loyalty card into a digital one directly on my phone, so that I can carry it with me on the go. It's an added convenience for me and helps me stay connected to you!

Please go to:

<http://mycardstar.com/add-card.html>

today so that I can use my loyalty card from my phone the next time I come here!

Thank you,
Your Loyal Customer
